

## GENERAL INFORMATION

The Union Point Sports Fall Coed Softball League is **not affiliated with any governing softball entity**. We will follow **USSSA slow-pitch softball rules** with the following modifications:

---

### 🕒 GAME LIMIT

- Games will be **60 minutes or 7 innings**, whichever comes first.
- **Regular Season:** Drop-dead time limit at 60 minutes (no new inning).
- **Playoffs:** 60 minutes, 7 innings, or until a winner is determined.

### Extra Innings:

- **Regular Season:** No extra innings — ties will stand.
  - **Playoffs:** If tied after 60 minutes, we'll move to extra innings using the international tiebreaker rule:
    - The batter in the lineup **immediately before** the leadoff hitter of the inning will start on **second base**.
    - The game continues until the winner is determined.
    - If the visiting team scores first, the home team will have their last at-bats to finish the inning.
- 

### 🏃 MAX RUN RULE

- **Innings 1–4:** Maximum of **6 runs per team per inning**.
- **Innings 5–7:** **No run limit**.

---

### **MERCY RULE**

- **15 runs after 5 innings** or **12 runs after 6 innings** — game is over.
- If the home team is trailing, they will receive their final at-bats.

---

### **BAT RESTRICTIONS**

- **Allowed:** Bats with a **USA** or **ASA** stamp.
- **Also allowed:** Bats with **both USA/ASA and USSSA** stamps.
  - **Not allowed:** Bats with **only** a USSSA stamp.

---

### **HOME RUN LIMITS**

- **Regular Season & Playoffs:**
  - Maximum of **2 over-the-fence home runs** per team per game.
  - **Female home runs do not count** toward this limit.
  - Any home run beyond the limit counts as an **out**.

---

### **HOME RUN BOUNDARIES**

- Each field has a **short right-field porch**.
- A **field marker** will be placed on each field:
  - Balls hit **over the fence to the right** of the marker = **Double**.
  - Balls hit **over the fence to the left** of the marker = **Home run** (until the team's limit is reached).
  - Once the limit is reached, any additional over-the-fence hits = **Out**.

---

**Please ensure your team understands these rules before the season begins.**  
**We're looking forward to a fun, competitive, and safe fall season at Union Point Sports!**
